- 28.05. 19 c.t. WaCa
- 30.05. Day off (Corpus Christi)

Events

As it's getting sunnier we're inviting you to several events this month! On the 2nd there will be a game night and a cocktail evening on the 14th. We're also excited about the next Wine and cheese evening on the 28th, further information can be found on our website (fsmath.uni-bonn.de) as always. On the 11th you can dance the night away in the auditorium of the main building at the Math-Dance. Further information, including ticket sales, will follow soon. On the Dies Academicus, May 15th, the Rheinische Post invites FLINTA* students of computer science and mathematics in Bonn to take a look behind the scenes of a local newspaper. A diverse group of female employees will introduce you to their work in the fields of web development, data engineering, data analytics, data science, IT consulting and solution architecture. In addition to vegan & vegetarian catering, there will be plenty of time to discuss, ask questions and network. Finally, we will take you to the print shop while the daily newspaper for the next morning is being printed. You can register here: <https://pretix.fachschaften.org/unibonn-gidis/dies-15.05.2024/>

Joke of the month

What does the *B.* in *Benoit B. Mandelbrot* stand for? – *Benoit B. Mandelbrot!*

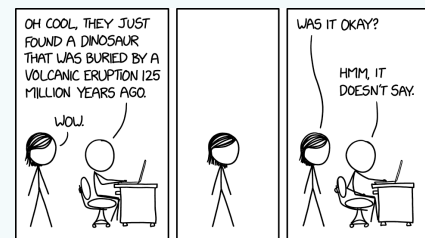

Blood donation

You've got some spare time and do not suffer from iron deficiency? Go donate blood! From

Monday to Friday you can donate blood in exchange for a small compensation of 25 Euro and an afterward snack in the University Hospital Bonn which helps the clinic immensely. Appointments can be made per call or via the clinic's app, check out the [websites of the UKB](#). The latest information and a (preliminary) check if you are fit to donate as well as other requirements can be found there. Donate! It is a bloody good job.

Comic of the month

Riddle of the month

Raquel, Flo and Jan want to listen to their favorite band on the train on the way to the freshman trip, but only Jan has thought of headphones. So two of them listened to music simultaneously, switching after each song. During the journey, Flo listened to 18 songs and Raquel 25. How many songs could Jan have listened to at the most?

The answer will be on the next loopaper.

Solution if last months riddle:

Simon wins the fastest with either sequence of 2 – 3 – 3 – 2 or 3 – 2 – 2 – 3.
